To Whom It May Concern:

It is my honor to write this letter of recommendation for Mr. Patrick McClanahan in regards to employment as a teacher. I have known Patrick through his student teaching at our school and have found his intellectual abilities and personal characteristics to be outstanding. His work ethic is among the best I have seen and his dedication to the students and staff of our district is tremendous.

As Assistant Principal of our high school, I have worked very closely with Patrick on student discipline issues. He is extremely organized and enthusiastic in his approach to teaching. He handles classroom discipline appropriately and effectively. Patrick is always working closely with parents, staff and administration and works to promote a healthy learning environment. He also communicates a good sense of humor to both students and colleagues.

I cannot say enough good things about Patrick McClanahan. He is a true team player and would be a valuable asset to any school system. Students and staff alike are comfortable around him and confident in his abilities. If you would like to discuss Patrick further, please feel free to contact me at (989) 227-4105.

Sincerely,
